

PNCWA Scholarship Program

The initial PNCWA scholarship was awarded in 2010 (\$1500) and was followed in 2011 with three \$1500 scholarships awarded. Thanks to the generous support of PNCWA members, the recently established PNCWA Scholarship fund now exceeds \$10,000. As promised, we will use these funds to expand our scholarship offerings while building the scholarship fund.

A total of \$4,500 PNCWA Environmental Stewardship Scholarships were granted in 2012 for a total of \$10,500 awarded since the scholarship fund's inception in 2010.

If individuals, families or companies are interested in setting up/funding an ongoing named scholarship (memorial, in honor of, corporate) please contact the PNCWA office.

PNCWA 2013 Environmental Stewardship Scholarships

Applications must be postmarked or faxed no later than May 15th, 2013.

2013 scholarship applications are attached.

Up to three \$1,500 scholarships will be awarded—at a minimum one will be dedicated for PNCWA-affiliated members and/or their dependents. At most, two scholarships will be awarded to non-PNCWA related applicants. Scholarships are open for both undergraduate and graduate studies.

Instructions for Applicants

To apply for a scholarship:

1. Fill out both pages of the Application. Be sure to type or print neatly. It is very important that you do not leave any blanks.
2. Include a letter verifying enrollment or acceptance in a college water or wastewater related program on college letterhead. If you are a high school student that has not yet received acceptance, you will need to list where you have applied.
3. Attach an official transcript (if you are a continuing student).
4. Attach requested essays and recommendation/reference letters.
5. Complete application to be postmarked/faxed no later than May 15th. Awards will be announced by June 30th.

6. Additional details are provided on the facing page titled "Scholarship Policy & Procedures."

7. All applicants must be residents of Idaho, Oregon, or Washington and also must be U.S. citizens.

Additional Eligibility Requirements:

For applicants affiliated with PNCWA, the applicant or an immediate family member of the applicant must be a PNCWA Member (WEF/PNCWA or PNCWA-only Member). Qualifying Members must have been a member in good standing of the PNCWA for at least one year.

The applicant must enroll as a full-time student in an environmentally related program that allows them to pursue a professional career in the water environment field.

High school senior/returning student (currently not in school) and must enroll at a college or university by September 2013 or a student in good standing at a college or university who will begin the next year by September 2013
